

PRE-IMAGING SCIENCES

Associate of Science degree

Program and Career Description:

This two-year academic pathway is designed for students who intend to complete an Associate's Degree and transfer directly to a 4-year institution to pursue a Bachelor's degree. Students who complete the A.S. degree at Columbia State combined with upper division coursework at a 4-year institution will be eligible to apply for credentialing examinations and/or licensure.

Radiographers produce medical images to assist physicians with diagnosis and treatment.

Career	Salaries upon completion of 4-year degree and Professional School
Radiographer	\$40,000

Career and salary information taken from www.bls.gov. Check out this web site for additional information about education requirements and preferred work styles and abilities for these careers. Salaries are not guaranteed.

Students who desire a marketable credential and plan to enter the workforce directly from Columbia State should select the A.A.S. Radiologic Technology as opposed to the A.S. Pre-Imaging Sciences transfer pathway.

Transfer Options

Per the *Complete College Tennessee Act of 2010*, this degree will be transferable to any of the following universities offering a Baccalaureate degree in this major:

- Austin Peay State University
- East Tennessee State University
- Middle Tennessee State University
- Tennessee Tech University
- University of Memphis

Articulation agreements exist between other private and non-TN public institutions. The most current information is available at www.columbiastate.edu/admissions/transfer-information.
