

First, press the **CALL STATUS CONTROL** button.

Next, touch the **MAKE A CALL** icon.

The screen will change to the Speed Dial page.

	<p>Then, touch the Speed Dial icon of the site you would like to connect to the videoconference. Your choices are Lawrenceburg, Clifton, Franklin, Lewisburg, and/or Columbia.</p> <p>Repeat the above sequences to connect each campus or use the web interface instructions to connect multiple sites.</p> <p>NOTE: If you are connecting more than 3 other campuses, you must follow the instructions for Connecting Sites from (name of campus). The campus originating the connections is always counted as site number 1.</p>
