Measles, Mumps, and Rubella (MMR) Vaccination Exemptions

- Student born prior to January 1, 1957
- Students who graduated from a public or private high school in Tennessee in May 1999 or at any point in time thereafter
- Students who attended a public or private school in Tennessee for grades kindergarten through twelve for any period of time on or after July 1, 2001
- Student who provide a signed written statement, affirmed under penalty of perjury, that their religious tenets and practices prohibit their receipt of any type of immunization (note: a parent or guardian must sign the statement of a student if under the age of 18)
- Student with written documentation from a physician certifying that they are allergic to the MMR vaccine
- Student with written documentation from a physician attesting that they have a diagnosed case of all three diseases covered by the MMR vaccine (e.g., measles, mumps, and rubella).
- Student with written documentation of their laboratory confirmed immunity to all three diseases covered by the MMR vaccine (e.g., measles, mumps, and rubella).
- Students who are classified as active duty military personnel and provide proof of their active duty service.
- Students who were previously enrolled as a full-time student at a TBR college or university for at least one full semester after August 1, 2007.
- Students attending part-time

Second dose only verification required for full-time

- Students who graduated from a public or private Tennessee high school between May 1979 and December 1998 are required to provide proof of receipt after the date of their graduation of the second dose of the MMR vaccination if attending full-time

Waiver Granted for ONE SEMESTER

- Students that are pregnant, nursing or if less than 28 days between the first and second dose of MMR
 - *Students that have just received their first dose of MMR vaccine and are required to wait 28 days between vaccinations must wait until specific waiver periods before a waiver will be granted*
