

Draft of Summer Schedule
As of 3/31/2022

Admitted students should view the schedule by logging into myCN (clicking *Student* then *Class Search*) for an up to date version of course offerings and enrollment capacities.

This draft is posted for planning purposes for potential students who have not completed the admissions process.

Select the box in front of the CRN (C identifies a closed class; NR indicates no registration currently available) and choose Register or Add to Worksheet. To determine the **actual location** ([Columbia](#), [Franklin](#), [Lawrenceburg](#), etc.) of a class or if it is taught or delivered using an **alternative method** ([internet](#), [hybrid](#), [interactive video](#), etc.), **please click** on the **CRN number**! Alternative delivery is also identified in the attribute column. You may also click on the link that opens a new window to view definitions for alternative delivery and a legend for identifying section locations, schedule coding schemes, etc.

[See all your distance education options, including how to locate them in the schedule \(this will open a new window\).](#)
