Students entering The Radiologic Technology Program at Columbia State must submit evidence of good health, a background and a 10-panel urine drug screen including urine alcohol. Please upload all Health information forms to the Clinical Access Documents(CAD) course in online campus on or before your mandatory orientation. Once you are placed in the CAD course you will receive an email from healthrecords@columbiastate.edu, check your Columbia State Email regularly for this email. Should you have any questions you can call (931) 540-2849 or email healthrecords@columbiastate.edu

Please use this form as a tool to stay on track with your healthcare information needed for clinical. Do not return it with your paperwork.

CBC and Drug Screen are time sensitive; <u>IF DONE TOO EARLY, STUDENTS WILL HAVE TO PAY AND PROCESS AGAIN.</u> Confirm dates before setting up your account. Chain of Custody forms are available from the Drug Screening Location!

You can go directly to http://www.applicationstation.truescreen.com to create an account to begin your background and drug screen. The code for RADT is CSCCRADT. Read all of the forms carefully and follow the instructions given. After providing the required information and paying, you will be asked to select a LabCorp location to submit your drug screen. You can only use a LabCorp location. No other third-party location is acceptable.
