

What Classes Can I Take?

- Dual Enrollment students can take any course as long as the prerequisites are met.
- Many of our introductory-level courses require specific placement scores that indicate college-level readiness.
- A full listing of prerequisites is found under the course description section of the most recent catalog, available online at www.ColumbiaState.edu/catalog-student-handbook.
- ACT, SAT, High School GPA or placement test scores are used to determine your eligibility to register for specific courses.
