Please see below for helpful steps on how to log into your CSCC ONLINE Courses:

1. Navigate to the [Columbia State Community College homepage](#) > go to the top navigation at the “Logins” header:

The screenshot displays the top navigation bar of the Columbia State Community College website. The navigation menu includes links for MyCN, Online Campus, TN eCampus, Email, Calendars, Directory, Library, and A to Z. Below the navigation menu is a banner for COVID-19 updates, which states: "Advising and registration is open for summer and fall classes. [Apply online today!](#) All summer classes and services are in a virtual format, including online workforce training opportunities. Faculty and staff are available by email and phone. College campuses are not accessible except for approved appointments and labs. Visit the [coronavirus webpage](#) for updates." Below the banner is a large image of a person playing a saxophone. At the bottom of the page, there are four green buttons with white text: "APPLY NOW →", "REQUEST INFO →", "VISIT →", and "DONATE →".
