## STUDENT EVALUATION OF FACULTY

Students in selected courses will evaluate the following items using a computerized assessment. In addition, faculty members will occasionally conduct periodic informal surveys during the semester to determine areas of strengths and areas that students believe can be improved.

Unless otherwise indicated, answers for the questions will be: A – Strongly Agree; B – Moderately Agree; C – Moderately Disagree; D – Strongly Disagree; E – Not applicable or Don't Know

### Questions for all classes

1. The instructor's teaching methods helped me to learn the course material and/or skills.
2. The syllabus clearly explained course requirements, expectations and grading.
3. The course information on the syllabus was applied consistently.
4. Course requirements and teacher expectations were made clear at the beginning of the course.
5. Scheduled time was used productively.
6. The instructor demonstrated interest in student success.
7. Grades were based on assigned material and/or application of skill.
8. The instructor regularly informed me of my progress.
9. The assignments and materials helped me understand the course content.
10. The required course materials (textbooks/ebooks/access codes) helped me be successful in the course.
11. My knowledge and/or skills increased as a result of the course.
12. I knew how to contact my instructor and I received a response within 48 hours of my requests.
13. I am satisfied with the level of student engagement I experienced during this course.
14. The instructor encouraged me to use technology for my success.
15. I would recommend this instructor to others.

### Additional Questions for Distance Education Classes

16. My course is a \_\_\_\_\_ course. (Check all that apply.) (A = Online; B = Hybrid; C = Desktop Video Conferencing)
17. I most often logged into my online course content from \_\_\_\_\_. (A = Off-campus; B = Columbia Campus; C=Franklin Campus; D=Lawrenceburg Campus; E=Lewisburg Campus; F = Clifton Campus; G = Not applicable, H=Home)
18. Before the first class, I knew that this course was not a traditional on-ground class. (A= Yes; B = No)
19. The technology provided by Columbia State for course delivery was reliable.
20. The test proctoring schedule was convenient.
21. Materials for this course were in accessible format. (A=Yes; B= No; If No – Please Explain)
22. I received assistance to participate in this class during the first week of the term, if needed.
23. The instructor effectively used technology to deliver the course content.
24. I would enroll in another distance education course of this type.

### All classes will have a final question:

*Please provide additional comments that you believe would help the instructor to make this a more effective course.*
