

**Application to the Institutional Review Board**

**Project Director:**

**Date:**

**Co-Project Director(s):**

**Proposal Title:**

**Please provide the following information for IRB Review**

- 1. Purpose of the Study: What will be the central question or issue that the project will explore?**
- 2. Provide a summary of the research plan:**
  - a. What will the researcher do?
  - b. When will the researcher do it? Starting Date and Ending Date?
  - c. Where will the study take place?
  - d. Who will be involved in conducting the study?
- 3. Sample/Population:**
  - a. Describe the sample size, demographic requirements and location of recruitment for the participants.
  - b. Who will recruit subjects and how?
- 4. *How will the data be kept secure? With whom will the data be shared?***
- 5. *What possible risks there might be to subjects?***
- 6. *How will the research ameliorate those risks?***
- 7. *What are the potential benefits that may be gained by any individual participant, as well as benefits which may accrue to society in general as a result of the planned work? Please specify any compensation such as monetary or academic credit that may transpire to participants as part of the study.***
- 8. *Attach a copy of the Informed Consent Form.***
