#### Condition(s) for transfer

- This articulation agreement applies only to the B.S. degree in Agricultural Sciences with a Concentration in Agricultural and Extension Education, which includes Teacher Licensure in Agricultural Education (7-12) and Agricultural Science (7-12) from Tennessee State University (TSU). Any future changes to the degree program may not be applicable to this agreement and may necessitate renegotiation.
- A change of major invalidates these courses/credits for transfer unless they are approved within some other program-to-program articulation agreement for a different major at TSU.
- A minimum 2.00 Grade Point Average (GPA) is required for transferable credits. For admission into upper division teacher education courses a 2.75 GPA is required.

This articulation agreement recognizes the following course work is needed to complete the B.S. degree in Agricultural & Environmental Sciences/Concentration in Agricultural and Extension Education with Teacher Licensure in Agricultural Education at TSU.
